

NORIMA CONSULTING ACHIEVES SERVICE NOW® BRONZE PARTNER STATUS

Norima Consulting Announced as Bronze Services Partner for ServiceNow®

San Diego (June 2, 2017) Norima Consulting Inc. (“Norima”) is pleased to announce that it has achieved all of the requirements to become a ServiceNow® Bronze Services Partner. This accomplishment recognizes Norima as one of the top 5% of all partners worldwide.

Businesses around the world turn to ServiceNow® to transform the way work gets done and to manage services across the enterprise. With this new partner status, Norima Consultants are now working to leverage personal experiences, domain knowledge, and ServiceNow® expertise to successfully manage and deliver mission-critical business and IT initiatives for our clients.

Ben Roberts, Managing Partner, and one of the Co-Founders, at Norima Consulting, leads Norima’s ServiceNow® practice out of San Diego, California.

“We have a bold future vision for Norima, and our partnership with ServiceNow® is an integral part of our strategy to realize that vision,” says Ben Roberts. “Congratulations to the entire Norima ServiceNow® team for their dedication in building Norima’s ServiceNow® practice and achieving this Bronze Services Partner milestone.”

ABOUT SERVICE NOW®

ServiceNow® was started in 2004 with the belief that getting simple stuff done at work can be easy, and getting complex multi-step tasks completed can be painless. From the beginning, ServiceNow® envisioned a world where anyone can create powerful workflows to get enterprise work done. Today, ServiceNow® is the cloud-based platform that simplifies the way we work. The ServiceNow® cloud services automate, predict, digitize and optimize business processes and tasks, from IT to Customer Service to Security Operations and to Human Resources, creating a better experience for your employees, users and customers while transforming your enterprise. ServiceNow® is how work gets done.

ABOUT NORIMA

For over 10 years, Norima Consulting Inc. has been transforming businesses by leveraging the right technology, at the right time, by, and in collaboration with, the right people. We facilitate faster, more efficient business processes to improve your company’s bottom line, enhance your competitive advantage, and enable you to engage, understand, manage and serve your customers and clients more effectively. We have offices in Winnipeg and San Diego, and we offer technology consulting to organizations in Canada and the United States, across industries.

Norima provides the services of well-educated, highly trained, and experienced professionals who share a passion for solving complex organizational problems with technology-based solutions, and for fast-

tracking innovation initiatives. We are passionate about working with organizations that are leveraging technology to innovate and enable the next stage of growth.
